*Your Custom Bridal Package will include the following:*

Complimentary Consultation: This can be done face to face, over the phone, or via email. We will discuss your hair and make-up needs and schedule both your trial and wedding day services. Our contract and cancellation policies will be reviewed and a 20% credit card deposit for all services will be collected. Since summer and weekend dates are always in short supply, we recommend you book your wedding services at least 4 months in advance.

Hair and Make-up Trial for the Bride: This should be scheduled 2 to 4 weeks prior to your wedding. Please bring all accessories you will be wearing on your wedding day, such as your veil, hair jewelry etc. You should arrive with clean dry hair and a fresh lightly moisturized face. If you have any favorite make-up items please feel free to bring them however we do have a full selection of professional products. The cost of your trial is \$120.00 and does not go toward any day of cost, yet it does give you a sense of knowing everything will be just the way you envisioned it for your big day. A trial is highly recommended, we have found the trial not only puts the bride at ease but also makes time run much smoother on the wedding day. It also allows us to account for what your hair will do in respect to the style you have chosen so if adjustments need to be made we can do them ahead of time. Hair and Make-up trials are best to be booked as 1 appointment.

Wedding Day Hair and Make-up: We will recreate the look we achieved during your trial. Please bring all accessories with you. You and your bridal party should arrive with clean, dry hair, clients are not scheduled a shampoo unless specifically requested prior to the day of. (hair works better for styling if it is a bit gritty, so please do not wash the day off). If anyone has pictures of the style they would like to have please bring them with you, pictures greatly improve communication with the stylists. For anyone having make-up services please arrive with a fresh lightly moisturized face. Please make sure all moisturizer is SPF free as the SPF interferes with photography negatively. All people receiving services should also wear some type of shirt that does not have to

removed over the hair or face i.e.: button down, zip up, robe etc.
